

ADMISSION LIST FOR THE 2008/2009 ACADEMIC SESSION

The University Senate, at its Special Meeting of Thursday, December 4, 2008, highlighted the process of generating the admission list for the 2008/2009 Academic session as follows:

- (i) The lists of freshers who have registered on-line up to November 29, 2008 would be sent to the Deans of Faculties.
- (ii) The Deans of Faculties, in collaboration with Heads of Departments, should sort out the names of freshers that have been cleared from the lists that have been sent to the faculties.
- (iii) Every fresher that has been cleared would be issued a clearance.
- (iv) The list of names of freshers that have thus been issued clearance would then be forwarded to Senate for its approval.

Senate noted that this procedure, if strictly adhered to, would prevent late assigning of Matriculation Numbers to freshers.
