

RE: MEMORANDUM OF UNDERSTANDING BETWEEN LAGOS STATE UNIVERSITY AND RISK CONTROL SERVICES NIGERIA LIMITED

The Management Committee, at its meeting on Monday, 22 September, 2008, considered the letter from the Chief Executive Officer, Risk Control Services Nigeria Ltd. By the letter, the company is requesting the University to indicate on its website and other publications, the new process for degree verification which should be phrased as follows:

The Lagos State University has authorized Risk Control Services Nigeria Ltd to provide commercial degree verification on its behalf. If you are an Employer, Government Agency or a Background Screening Company, wishing to do degree verification, please contact Risk Control Services at any of the following:

Web: www.degreevalidate.com
www.riskcontrolnigeria.com

E-mail verify@riskcontrolnigeria.com
info@riskcontrolnigeria.com

Tel: **01-4611491, 0805 555 8454**

During the consideration, the Principal Assistant Registrar (Legal) explained that the request by Risk Control was in order. The company has agreed to protect all the data provided by the University. After due consideration, Management approved the company's request and further decided that all requests for certificate verification should be forwarded to the Vice Chancellor who will then direct them to the appropriate officer – the Deputy Registrar (Exams & Records) or the Deputy Registrar (Postgraduate School).

The decisions of Management are hereby communicated to you for your information and necessary action, please.

Thank you.

KEHINDE OKUSANYA, JP

Deputy Registrar

(Vice Chancellor's Office)
