

UNIVERSITY SCHOLARS, 2007/2008 SESSION
LIST OF RECIPIENTS.

In order to encourage the attainment of academic excellence, amongst the generality of students, the Senate of the Lagos State University has again **APPROVED** the award of “Undergraduate Scholarship” to the under-listed undergraduates of the University who have excelled academically, with a Cumulative Grade Point Average (CGPA) of at least 4.0 at the end of the 2007/2008 Academic Session.

The Lagos State University Senate considers the institution of the Undergraduate Scholarship Scheme, as an activity appropriate for a University to promote high academic standards.

Lagos State University scholars upon graduation are expected to be world class graduates who can compete favourably with their counterparts across the globe.

The Award shall cover:

- (i) Fees charged by the University, throughout the students stay at the University:
- (ii) An additional sum of Twenty Thousand Naira (₦20,000.00), to cover the cost of books and other expenses.

Once awarded the Undergraduate Scholarship, a Lagos State University Scholar will continue to enjoy the scholarship as long as he/she maintains a good character and a Cumulative Grade Point Average (CGPA) of at least 3.50, at the end of each subsequent session.

Below is a LIST of the third set of Awardees of the Lagos State University Undergraduate Scholarship for the **2007/2008 Academic Session:**
